Again

10% VITAMIN C
FACIAL SERUM

WHY DO I NEED THIS PRODUCT?

According to many Dermatologists, Vitamin C is a potent natural antioxidant that promotes healthy skin by fighting and neutralizing free radicals (elements that cause damage) in the skin and protecting it from oxidative distress, like pollution and cigarette smoke. Everyone's all about eating foods that are enriched with antioxidant properties. Vitamin C is the topical version of that and because it's so versatile, it's for everyone.

WHY IS IT DIFFERENT?

21 Again 10% Vitamin C Facial Serum contains a highly concentrated form of vitamin C and an assortment of skin-stabilizing antioxidants and skin-replenishing ingredients. Combined, they provide exceptional results including improving the appearance of uneven skin tone, brightening a dull complexion, and helping skin ward off the impact of environmental assaults.

WHAT DOES IT DO FOR SKIN?

Vitamin C has a plethora of skin benefits. It has anti-inflammatory properties, so it can help with acne; it evens out skin discoloration and hyperpigmentation by inhibiting melanin synthesis through an enzyme; it helps stimulate collagen production, which helps with wrinkles and fine lines; and it brightens so your skin will look smoother, energized and exhibit a healthy glow.

- Reveals a more radiant complexion
- Vitamin C visibly brightens skin
- Diminishes visible signs of aging for smoother, firmer-feeling skin
- Feather-light formula absorbs quickly
- Use alone or add to your moisturizer

Natural Vitamin C
Anti-Aging Skincare

SUGGESTED USE:

Apply to skin after cleansing. Apply 1 pump into the palm of your hand and then apply to your face. Add another pump if you will also be applying to your neck and chest. Let absorb for a moisturizing effect. During the day, finish with a moisturizer with SPF 30 or greater. Can be applied under the eye area, avoiding the eye itself.

SUGGESTED PRECAUTIONS:

For external use only. Avoid direct contact with eyes. Rinse with water if direct eye contact occurs. Stop use and ask a doctor if rash or irritation develops and persists. Use sunscreen and avoid long term exposure to sun. Store in a cool dry place, away from excessive heat and light. Keep out of reach of children.

TOP BENEFITS OF 10% VITAMIN C SERUM:

1. High potency formula
2. Gentle on skin
3. Lessens appearance of UV damage
4. Brightens complexion
5. Visibly improves acne
6. Smooths skin texture
7. Counteracts the signs of normal aging
8. Provides an instant glow
9. Alleviates feelings of dryness
10. Great for all skin types
