

21 Again

VITAMIN C EYE SERUM

WHY DO I NEED THIS PRODUCT?

21 Again Vitamin C Eye Serum is the formula to end your under-eye concerns once and for all! It's formulated with anti-aging and skin brightening ingredients to amp up the antioxidant benefits, combat puffiness, sagging skin, stubborn dark under eye circles, wrinkles and crow's feet.

WHY IS IT DIFFERENT?

Our lightweight eye serum packs the hardworking Vitamin C antioxidant to defend from dullness, loss of firmness and discoloration. Its under-eye care that's perfect for brightening thin skin, protecting the eye area from wrinkle-causing elements, and treating the existing free radical damage.

WHAT DOES IT DO FOR EYE SKIN?

Vitamin C has a plethora of skin benefits. It has anti-inflammatory properties which delivers visibly firmer, youthful-looking skin. It evens out skin discoloration and hyperpigmentation by inhibiting melanin synthesis through an enzyme; it helps stimulate collagen production, which helps with wrinkles and fine lines; and it brightens so your skin so it will look smoother, energized and exhibit a healthy glow.

- Helps revitalize, soothe and refresh the look of your eye area
- Reveals a more radiant complexion
- Vitamin C visibly brightens skin
- Diminishes visible signs of aging for smoother, firmer-feeling skin
- Feather-light formula absorbs quickly
- Use alone or add to your moisturizer
