THE SCIENCE OF SKINCARE

A Natural Approach To Anti-Aging

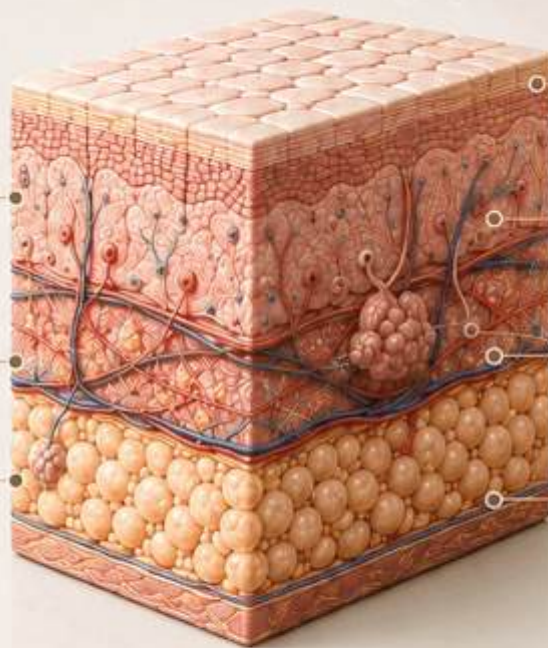

Healthy skin begins with understanding how it functions.

Our formulas are designed to support the skin's natural structure, hydration, and resilience for a *smoother, firmer, more radiant you*.

Understanding The 3 Layers of Skin & Why They Matter

Your skin is a living system. Each layer plays a vital role in protection, strength, and radiance.

-  **EPIDERMIS**
The Protective Barrier
 - Shields from damage
 - Prevents moisture loss
-  **DERMIS**
The Support Layer
 - Collagen & elastin for firmness
 - Blood vessels & hydration
-  **HYPODERMIS**
The Deep Cushion
 - Insulates & absorbs shock
 - Stores fat for energy

-  Dead Skin Cells
Naturally shed & renewed
-  Collagen & Elastin
Provide strength, elasticity & structure
-  Sweat Gland
Helps regulate temperature
-  Fat Cells
Provide cushioning, insulation & energy

STRONGER BARRIER
Locks in moisture & keeps irritants out

BETTER HYDRATION
Supports smooth, supple skin

YOUTHFUL RESILIENCE
Firm, elastic & more radiant skin

CLEAN FORMULAS
Thoughtfully crafted with skin-loving ingredients

LONG-TERM HEALTH
Prevents damage & supports healthy aging

BENEFITS OF SERUM

PROVIDES *Extra Hydration*

Deeply hydrates the skin and helps maintain moisture balance.

PROTECTS *Against Free Radicals*

Helps defend skin from environmental stressors, pollution, and damage.

PRODUCES *Quicker Results*

Lightweight molecules penetrate deeper for faster, visible improvement.

REVIVES *Dull Skin*

Restores radiance, smoothness and a healthy, glowing complexion.

SUPPORTS *Healthy Skin*

Nourishes and supports the skin's natural balance for long-term skin wellness.

Again

COLLAGEN PEPTIDE SERUM

with SNOW ALGAE

WHY DO I NEED THIS PRODUCT?

Collagen Peptide Serum with Snow Algae is a progressive complex serum with combination of Peptides, Snow Algae and Hyaluronic Acid. May soften wrinkles and produce smoother healthier appearing skin. A moisturizing serum that may help regenerate, moisturize, firm and brighten the appearance of dull, damaged, wrinkled, overexposed skin.

WHAT IS COLLAGEN PEPTIDE?

Collagen Peptide is a natural protein produced inside the body to prevent dermal layers of the skin from developing skin folds. After they are created collagen and elastin create collagen peptide bundles resulting in firmer skin and a healthier body. When collagen bundles decrease the appearance of wrinkles becomes more noticeable.

WHAT IS SNOW ALGAE?

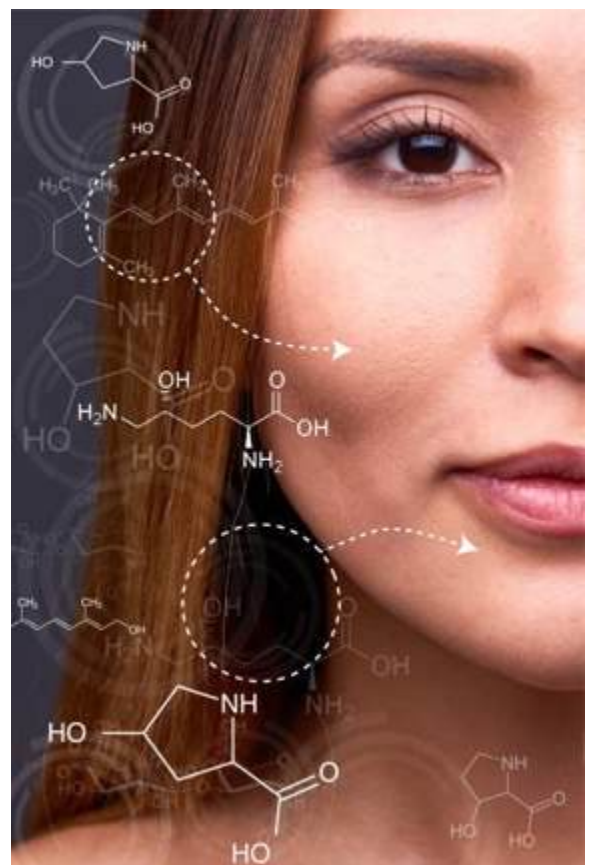

Snow Algae extract strengthens the aging skin barrier to restore rapid and natural skin hydration. Snow algae thrive in frigid high mountain areas and have the unique ability to survive brutal changes in temperature.

When applied to living cells, snow algae activate a longevity gene and the enzyme AMPK, which in turn enhances DNA repair. Snow algae thrives in frigid high mountain areas and have the unique ability to survive brutal changes in temperature.

The ability to repair DNA is crucial for health and longevity. **Researchers are now finding that topical application of snow algae produces a restorative effect to skin.** In addition, collagen peptide along with hyaluronic acid addresses a broad array of deleterious structural changes that occur in aging skin.

The result is:

- Improved moisture
- Minimized wrinkles
- Restoration of a more youthful outward appearance

21 Again

Natural Anti-Aging Skincare

WHAT DOES IT DO FOR SKIN?

This powerful, deeply nourishing, serum dramatically helps diminish the appearance of fine lines and wrinkles, leaving skin radiant and younger looking. Contains natural ingredients which causes slight variations in tone and can change over time.

SUGGESTED USE:

Pump small amount on fingers and pat or massage in lightly onto face and neck. Use daily (morning or evening) or every other day. Always apply on clean skin and before moisturizing.

SUGGESTED PRECAUTIONS:

For external use only. Avoid direct contact with eyes. Rinse with water if direct eye contact occurs. Stop use and ask a doctor if rash or irritation develops and persists. Do not store in extreme temperatures. Keep out of reach of children.

THE SCIENCE OF COLLAGEN IN HEALTHY SKIN

Collagen is the foundation of firm, smooth, and youthful-looking skin. Here's how it works beneath the surface.

COLLAGEN FIBERS

Provide structural support to keep skin firm, smooth, and resilient.

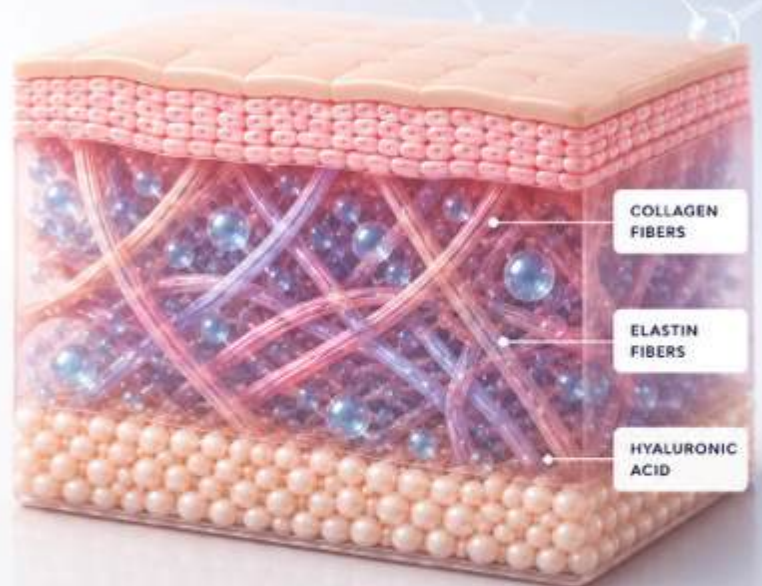

ELASTIN FIBERS

Allow skin to stretch and bounce back, maintaining elasticity and flexibility.

HYALURONIC ACID

Attracts and retains moisture to keep skin hydrated, plump, and supple.

COLLAGEN FIBERS

ELASTIN FIBERS

HYALURONIC ACID

COLLAGEN DECLINES AFTER AGE 30

Collagen production naturally decreases as we age, leading to visible signs of aging like wrinkles, fine lines, and dryness.

SUPPORTS FIRMER SKIN

Collagen provides structure and strength for smooth, youthful-looking skin.

ENHANCES ELASTICITY

Elastin fibers help skin stretch and bounce back for a more resilient look.

BOOSTS HYDRATION

Hyaluronic Acid locks in moisture for plump, healthy-looking skin.

PROMOTES HEALTHY AGING

Working together, these key components help maintain radiant, youthful skin.

COLLAGEN PEPTIDE

Serum w/Snow Algae

Benefits:

- Restores Rapid Skin Hydration
- Stimulates New Collagen Peptide Bundles In Aged Skin
- Rejuvenates Skin At The Cellular Level Reducing Age Spots
- Brighten Appearance Of Dull Skin
- Produces Restorative Effect To Skin Texture
- Activates AMPK, The Master Switch Of The Cell's Energy System
- Provides A More Youthful Outward Appearance

HYALURONIC ACID SERUM

WHY DO I NEED THIS PRODUCT?

Hyaluronic acid occurs naturally in humans and is found in young skin. Hyaluronic acid is a naturally-occurring substance that is already present in many tissues of the body. Topical applications are used to treat wrinkled skin and may help to reverse the signs of aging. Hyaluronic Acid replenishes moisture content in skin for a plump, supple and noticeably smoother appearance.

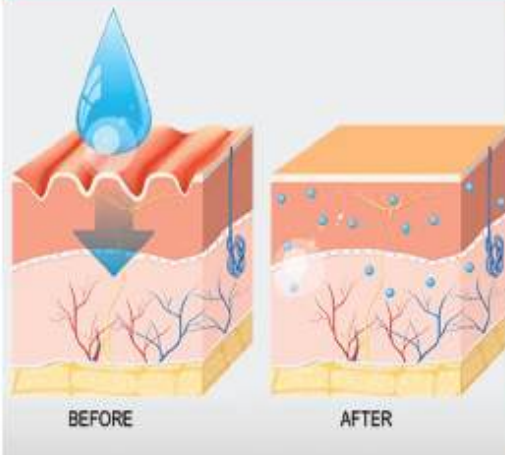

- Revives dehydrated, dull skin
- Improves the appearance of fine lines & wrinkles
- Fluid gel texture visibly plumps skin
- Use alone or add to your moisturizer

WHY IS IT DIFFERENT?

21 Again Hyaluronic Acid Serum contains a specialized matrix of skin-smoothing ingredients and hyaluronic acid that penetrates the skin's surface to help lock in moisture, keeping skin stay hydrated and ultimately moisturized.

WHAT EXACTLY IS HYALURONIC ACID?

WHAT DOES IT DO?

Visibly plumps skin, smoothing the appearance of fine lines and wrinkles, including fine lines around the eyes. Can be used alone or add to your favorite moisturizer to see even better results. From first use, you'll see noticeably smoother, more hydrated, younger-looking skin.

21 Again

Hydration for all skin types

SUGGESTED USE:

Apply to skin after cleansing. Apply 1-2 pumps into the palm of your hand and then apply to your face. Add another pump if you will also be applying to your neck and chest. Let absorb for a moisturizing effect. During the day, finish with a moisturizer with SPF 30 or greater. Can be applied under the eye area, avoiding the eye itself.

SUGGESTED PRECAUTIONS:

For external use only. Avoid direct contact with eyes. Rinse with water if direct eye contact occurs. Stop use and ask a doctor if rash or irritation develops and persists. Do not store in extreme temperatures. Keep out of reach of children.

HOW HYALURONIC ACID WORKS INSIDE YOUR SKIN

Hyaluronic Acid (HA) is a powerful humectant that holds up to 1,000x its weight in water, helping your skin stay hydrated, plump, and youthful.

KEY BENEFITS

INTENSE HYDRATION
Provides long-lasting moisture to keep skin soft and supple.

PLUMPS & SMOOTHS
Helps reduce the look of fine lines by plumping the skin.

STRENGTHENS BARRIER
Supports the skin's natural barrier for better moisture retention.

RADIANT GLOW
Hydrated skin looks healthier, smoother, and more radiant.

A MOLECULE THAT DOES IT ALL

Hyaluronic Acid (HA) is a powerful humectant that holds up to 1,000x its weight in water, helping your skin stay hydrated, plump, and youthful.

HYALURONIC ACID SERUM

Benefits:

- Gel Texture Visibly Plumps Skin
- Effectively Guards Against DNA Damage
- Intensely Hydrates & Moisturizes Skin
- Improves Skin Elastin & Collagen
- Reduce Inflammation To Soothe Irritation
- Promote Even Tone & Flawless Texture
- Revives Dull Skin
- Reduces Fine Lines & Wrinkles
- Helps Reverse Signs Of Aging

FIRMING FACE & NECK MOISTURIZER

WHY DO I NEED THIS PRODUCT?

For many people, the quest to find a way to look younger fast with little effort can be a long and arduous road, which often leads to disappointing products. It's hard to believe, but fighting the visible signs of aging is easier than you think.

WHY IS IT DIFFERENT?

21 Again Firming Neck & Face Moisturizer is a progressive complex with synergistic combination of anti-aging bio-active ingredients to dramatically firm and improve skin texture. The primary function of our firming cream is to delay the loss of moisture, and a good neck firming cream will also work to retain the moisture already present within the dermis.

WHAT DOES IT DO?

Using our 21 Again Firming Neck & Face Moisturizer, deeply penetrates the layers of the skin to replenish moisture (water) back to the skin and ensure that it remains hydrated because when skin becomes dry, surface cells flake and fall off leaving skin looking puckered and wrinkled.

- Anti-Aging
- Visibly Firms Skin
- Provides Moisturization
- Reduces Fine Lines
- Helps Treat Acne
- Minimizes Pore Size
- Paraben Free
- No Animal Testing
- Cruelty Free
- Gluten Free
- Non-GMO
- Phthalate Free

21 Again

Skincare for all skin types

SKIN BENEFITS:

- Nourishes and hydrates the skin
- Reduce and prevent the appearance of fine lines, wrinkles and creases
- Tones and tightens the skin while hydrating skin
- Forms a barrier to increase the skin's elasticity and thickness

SUGGESTED USE:

- Begin with clean skin. Apply all 21 Again Serums before moisturizer.
- Then apply (1-3) pumps of Firming Face & Neck Moisturizer and massage onto face, neck and chest areas.
- Can be applied under eye area, avoiding the eye itself.

SUGGESTED PRECAUTIONS:

Avoid direct contact with eyes. Rinse with water if direct eye contact occurs. Do not use on broken skin. For adult use only. Keep out of reach of children. If swallowed, get medical help right away. Stop use and consult a doctor if rash or irritation develops and persists. Store in a cool dry place, away from excessive heat and cold.

This finished product has not been tested on animals.

FIRMING FACE & NECK Moisturizer

Benefits:

- Dramatically Firms & Improves Skin Texture
- Delays Loss Of Moisture
- Forms A Barrier To Increase Skin's Elasticity
- Provides Hydration to Dry Neck Skin
- Diminishes Visible Signs of Aging
- Supports Smoother, Firmer Skin
- Reduces Fine Lines & Wrinkles
- Phthalate Free
- Paraben Free

Skin—One Drop at a Time

21
Again

10% Vitamin C
Facial Serum

Net Wt. 30 ml

21 Again

10% VITAMIN C FACIAL SERUM

WHY DO I NEED THIS PRODUCT?

According to many Dermatologists, Vitamin C is a potent natural antioxidant that promotes healthy skin by fighting and neutralizing free radicals (elements that cause damage) in the skin and protecting it from oxidative distress, like pollution and cigarette smoke. Everyone's all about eating foods that are enriched with antioxidant properties. Vitamin C is the topical version of that and because it's so versatile, it's for everyone.

WHY IS IT DIFFERENT?

21 Again 10% Vitamin C Facial Serum contains a highly concentrated form of vitamin C and an assortment of skin-stabilizing antioxidants and skin-replenishing ingredients. Combined, they provide exceptional results including improving the appearance of uneven skin tone, brightening a dull complexion, and helping skin ward off the impact of environmental assaults.

WHAT DOES IT DO FOR SKIN?

Vitamin C has a plethora of skin benefits. It has anti-inflammatory properties, so it can help with acne; it evens out skin discoloration and hyperpigmentation by inhibiting melanin synthesis through an enzyme; it helps stimulate collagen production, which helps with wrinkles and fine lines; and it brightens so your skin will look smoother, energized and exhibit a healthy glow.

- Reveals a more radiant complexion
- Vitamin C visibly brightens skin
- Diminishes visible signs of aging for smoother, firmer-feeling skin
- Feather-light formula absorbs quickly
- Use alone or add to your moisturizer

RESULTS

10% Vitamin C Brightening Serum

- Visibly reduces discoloration.
- Nourishes and protects against free radicals.
- Reduces the appearance of fine lines and wrinkles.

SKIN REPAIR

10% NIACINAMIDE

LIPOSOMAL DELIVERY
TECHNOLOGY

NIACINAMIDE SKIN BENEFITS:

- Visibly minimizes pore size
- Reduces fine lines and wrinkles
- May improve rosacea and psoriasis
- May help treat acne and eczema
- Promotes a brighter, younger-looking appearance
- Improves redness and blotchiness in the skin
- Reduces skin sallowness and increases skin elasticity

WHY DO I NEED THIS PRODUCT?

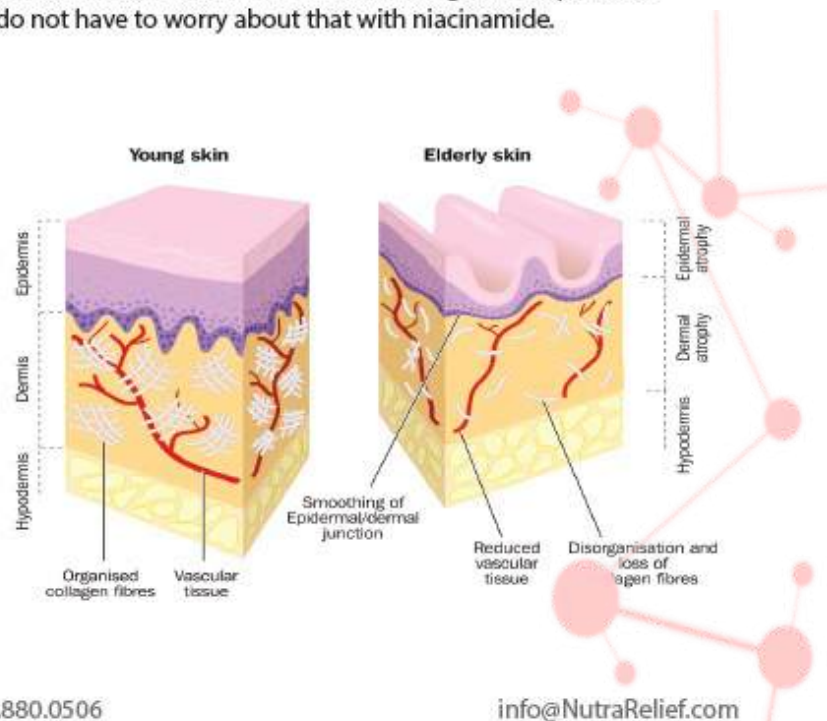

Skin Repair 10% Niacinamide Liposomal Cream dramatically improves uneven skin tone and refines the appearance of pore size, skin texture and fine lines. 10% Niacinamide includes many skin benefits here are just a few:

WHAT IS NIACINAMIDE?

Niacinamide, also known as (niacin) and (nicotinamide) is an important lipid-altering, water-soluble component of the vitamin B complex. Niacinamide is a form of vitamin B3 which is an essential nutrient. A B3 deficiency can lead to disorders of the skin, kidneys, and brain. Taking niacinamide can help prevent B3 deficiency.

WHAT DOES IT DO FOR SKIN?

Not only does niacinamide hydrate the skin, but it can also help fight acne, eczema, rosacea and psoriasis. Niacinamide has similar results to other popular acne fighting ingredients like clindamycin but may be preferable because bacteria tend to re-emerge after a period of antibacterial agent use. You do not have to worry about that with niacinamide.

21 Again

Skincare for all skin types

STEP 1: Smooth (1-2) pumps daily on cleansed skin, continue until fully absorbed. Apply to face, neck and chest or skin locations that experience Rosacea, Psoriasis, redness, blotchiness, uneven pigmentation or acne prone areas.

STEP 2: Apply cream on **CLEAN SKIN ONLY**. Avoid layering multiple creams on top of each other or with other non-liposomal creams.

AVOID COMBINING CREAMS:

Avoid layering multiple creams on top of each other or with other non-liposomal creams. Other creams are made with toxic chemicals which could cause irritation.

30 SECOND EXTRA RUB:

Gently rub cream on skin for 30 seconds longer than normal until cream is fully absorbed. The rubbing acts as a mechanism for the cream to fully penetrate the skin.

10 REASONS TO USE NIACINAMIDE ON YOUR SKIN:

Overall, niacinamide can help build proteins in the skin and lock in moisture to prevent environmental damage. Individual benefits include¹:

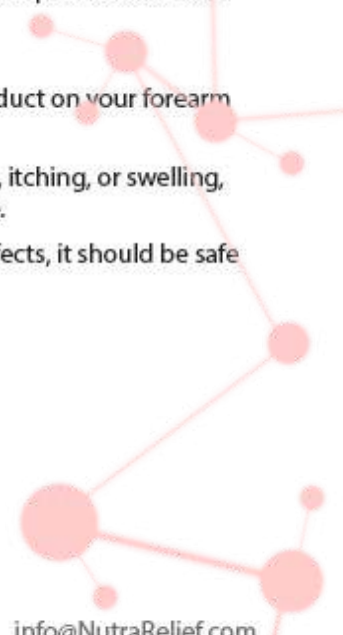

1. Immunity.
2. Lipid barrier.
3. Minimizes redness and blotchiness.
4. Minimizes pore appearance.
5. Regulates oil.
6. Protects against sun damage.
7. Treats hyperpigmentation.
8. Reverses signs of dull and sallow skin.
9. Protects against oxidative stress.
10. Treats acne.

¹ <https://www.healthline.com/health/beauty-skin-care/niacinamide>

IS THERE ANY RISK OF SIDE EFFECTS?

Topical niacinamide is generally considered safe to use. People who have preexisting allergies may be more likely to experience an allergic reaction. This is because niacinamide can cause your body to release histamine. You can avoid widespread allergic reactions and product sensitivities by doing a patch test:

1. Apply a dime-sized amount of product on your forearm and wait 24 hours.
2. If you begin to experience redness, itching, or swelling, wash the area and discontinue use.
3. If you don't experience any side effects, it should be safe to apply elsewhere.
